Colony Products

The Leader in Bakery Release Agents and Food Grade Oils

Colony Products is recognized for its expertise in manufacturing high-quality baking releases. With a rich legacy spanning 75 years, Colony Products has solidified its position as a trusted partner to the baking industry. Recognized for its commitment to excellence and personalized solutions, the company serves a diverse range of industries, including food service, retail, food manufacturing, cosmetics, and pharmaceuticals. With a customer-centric approach, Colony Products combines generations of expertise with a dedication to quality, sustainability, and customer satisfaction.

At the core of Colony Products' success lies its unwavering commitment to quality. With meticulous attention to detail and stringent quality control processes, the company ensures that every product leaving its facilities meets the highest industry standards. "At Colony Products, dependability is an ethos that we live by," says Graham. From Pan Oils to single ingredients, Colony Products takes pride in delivering excellence at every stage of the manufacturing process.

Colony Products understands that innovation is the key to staying ahead in a competitive market. As a small family business, they remain agile and stay up-to-date with emerging trends and concerns in the industry. "We are constantly exploring how people can incorporate new oils into their lifestyles for health reasons and creating more natural, single-ingredient end products" says

Michelle Graham,
President

We are constantly exploring how people can incorporate new oils into their lifestyles for health reasons and creating more natural, single-ingredient end products

Mike Brewer,
Vice President

Graham. By embracing cutting-edge technologies and staying up-to-date with industry trends, Colony Products remains at the forefront of innovation.

One of the standout features of Colony Products is its extensive range of offerings. The company specializes in manufacturing several lines of release agents while also supplying a wide variety of organic and non-GMO vegetable oils, lecithins and specialty ingredients. Colony Products prides themselves on delivering the most reliable supply of products at the highest level of food safety and quality in the industry. With market competitive prices, businesses can rely on them to supply ingredients that surpass quality benchmarks while still remaining profitable.

Colony Products places customer satisfaction at the heart of its operations. The company works closely with clients to understand their specific needs and provide tailored solutions that increase productivity and are cost effective. "At any given point, clients can trust us to deliver excellence every step of the way." – Graham

Colony Products stands as the industry leader in food grade oils, driven by a commitment to quality, adaptability, and customer satisfaction. With its remarkable experience and expertise, the company delivers exceptional products and tailored solutions to a diverse range of industries. By staying ahead of market trends, maintaining strict quality standards, and providing customized services, Colony Products cements its position as the trusted partner for organizations seeking reliable and innovative food grade oils. **FB**
